2014 PbS State Coordinators Training *Helping Kids Succeed*

The 2014 State Coordinators Training gathered nearly 30 state coordinators in Tampa, FL Jan. 29 - Feb. 1 at the Marriott Westshore Hotel. This year's theme, "Helping Kids Succeed" included topics of family engagement, the PbS holistic approach to zero tolerance and trauma and gender responsive programming.

The training goal was to help state coordinators rise up to today's challenges and build resource networks within the PbS community. Throughout the training, state coordinators networked with one another, shared information and resources with other states and came together as a community to ultimately improve the lives of the youths in their care.
